Limited Warranty

TiVo Stream
Ninety (90) Days Free Parts and Labor

WHO IS COVERED?

You must have proof of purchase to receive warranty service. A sales receipt or other document showing that you purchased the product is considered proof of purchase.

WHAT IS COVERED?

TiVo has the TiVo Stream manufactured from parts and components that are new or equivalent to new in accordance with industry-standard practices. TiVo warrants that the TiVo Stream will be free from defects in materials and workmanship during the limited warranty period described herein. The limited warranty coverage begins the day you purchase the product, as further described in the following text.

For ninety (90) days from the purchase date, the TiVo Stream will be replaced with a repaired, renewed or comparable product (whichever is deemed appropriate by TiVo) if it becomes defective or inoperative. This exchange is done without charge to you for parts and labor (except applicable taxes, if any). For exchanges permitted during this initial ninety (90)-day period, you will be responsible for the payment of all shipping costs.

From ninety-one (91) days to one (1) year after the purchase date, your TiVo Stream will be replaced with a repaired, renewed or comparable product (whichever is deemed appropriate by TiVo) if your TiVo Stream becomes defective or inoperative. During this period, however, you will be responsible for the payment of all labor and shipping costs.

If (for any reason) you desire to exchange your TiVo Stream more than one (1) year after the purchase date, then you will be responsible for the payment of (i) the replacement product, (ii) all labor costs, and (iii) all shipping costs.

To obtain your costs for any type of permissible exchange of your TiVo Stream, please contact TiVo Customer Support at 1-877-367-8486.

Exchanging your TiVo Stream for a replacement product does not restart or extend any of the above-set forth time periods, which continue to be calculated from the purchase date of your original TiVo Stream. Therefore, when the warranty on your original TiVo Stream expires, the warranty on the replacement product similarly expires on the same date.

WHAT IS EXCLUDED?

Your warranty does not cover:

- Labor charges for installation or setup of the TiVo Stream.
- Any taxes imposed on TiVo for units replaced or repaired under this warranty.
- Installation, performance of, or repair of: audio/video cabling, telephone line, or accessory attachments used with the TiVo Stream.

- Replacement of your TiVo Stream because of misuse, accident, lightning damage, unauthorized repair, or other cause not within the control of TiVo. Please note that removing the cover of the TiVo Stream for any reason voids the warranty.

- Reception transmission problems caused by signal conditions, telephone line, or cable or antenna systems outside the unit.

- Damages to, or viruses that may infect, your TiVo Stream or other devices arising from the use of unauthorized third party devices in connection with your TiVo Stream.

- Incidental, indirect or consequential damages resulting from the TiVo Stream. (Some states do not allow the exclusion of incidental, indirect or consequential damages, so the above exclusion may not apply to you.)

- Damages resulting from or relating to a modification or adaptation that has been made to a TiVo Stream to enable it to operate in any country other than the country for which it was designed.

- A TiVo Stream used for commercial or institutional purposes.

- Access connections (telephone or broadband), including charges from your communications provider.
